

- Notes: -
- 1.) Any notches should be fully mortared.
 - 2.) This guidance only applies to gable/party wall scenarios where Thin-Joint blockwork is to be constructed above standard H+H UK Ltd, Celcon Vertical Wall Panels in England and Wales only.
 - 3.) If a staircase or other wide opening greater than 2m is present to the gable/party wall at the top of the Celcon Vertical Wall Panels, a project specific review is required.
